This journal provides immediate open access to its content on the principle that making research freely available to the public supports a greater global exchange of knowledge.

Copyrights of all the articles rest with the respective authors and published under the provisions of [Creative Commons Attribution-ShareAlike 4.0](https://creativecommons.org/licenses/by-sa/4.0/) License.

The electronic versions were generated from sources marked up in \LaTeX on a computer running GNU/LINUX operating system. PDF was typeset using \XeTeX from the most recent \TeX Live. The base font used for Latin script and oldstyle numerals was \TeX Gyre Pagella developed by [gust](https://www.gust.com.pl/), the Polish \TeX Users Group. Devanāgarī and other Indic fonts are by Tiro Typeworks or Sanskrit 2003 from Omkarananda Ashram.
